NO. 205. NOVEMBER 1919.

THIRTY YEARS AGO

our predecessors established a system of yard prizes with a view of encouraging the interest of tenants in their home surroundings. Experience has shown that with few exceptions our endeavors have been met with full co-operation on the part of people occupying our houses. Prizes for 1919 were distributed in the pay-roll just before Thanksgiving. Since the inauguration of the yard prize system approximately $10,000 have been awarded in the aggregate.

Our illustrations show premises of a few of the 1919 winners.
